

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
NOTICE-AND-ACCESS NOTIFICATION TO SHAREHOLDERS

As permitted by Canadian securities regulators, we are using notice-and-access to deliver the management information circular (meeting materials) to both registered and non-registered shareholders. This means that the meeting materials are being posted online for shareholders to access, rather than being mailed out. This notice includes information on how to access the meeting materials online and how to request a paper copy. Notice-and-access gives shareholders more choice, substantially reduces our printing and mailing costs, and supports sustainability as it reduces the environmental impact associated with producing and distributing large quantities of printed meeting materials.

You will find enclosed with this notice either a form of proxy or a voting instruction form that you can use to vote your shares (see the "Voting" section of this notice). It is very important that you read the management information circular carefully before voting your shares.

HOW TO OBTAIN PAPER COPIES OF THE MEETING MATERIALS

Shareholders may request that a paper copy of the meeting materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the circular was filed on SEDAR by:

- Calling ClearStream at 1-855-891-8451; or
- Sending an email to investorrelations@clearstreamenergy.ca

Please note that you will not receive another form of proxy or voting instruction form if you receive a paper copy of the meeting materials; so please keep the one you received with this notice to vote your shares.

If you make your request before the meeting, the meeting materials will be sent to you at no charge within 3 business days of receiving your request. To receive the meeting materials before the voting deadline for the meeting of 9:00 a.m. (Calgary time) on June 8, 2022, we estimate that your request must be received no later than 9:00 a.m. (Calgary time) on Wednesday, May 25, 2022 (this factors in the 3 business day period for processing requests as well as typical mailing times).

If you request materials on the date of the meeting or in the year following the filing of the circular, they will be sent to you within 10 calendar days of receiving your request. Following the meeting, the documents will remain available at the websites listed above for a period of at least one year.
