

## Majority Voting Policy

of

ClearStream Energy Services Inc.  
(the "**Corporation**")

The Board of Directors believes that each director should have the confidence and support of the shareholders of the Corporation. For that purpose, the Board has adopted this majority voting policy. Future nominees for election to the Board will be required to confirm that they abide by this policy.

Forms of proxy for the election of directors will permit a shareholder to vote in favour of a director or to withhold from voting, separately, for each director nominee. The Chairman of the Board will ensure that the number of shares voted in favour of or withheld from voting for each director is recorded at the meeting and is made public promptly after the meeting. If the vote is by a show of hands rather than by ballot, the Corporation will disclose the number of shares voted by proxy in favour or withheld for each director nominee.

If a director nominee has more votes withheld than are voted in favour of his or her election, the nominee will be considered by the Board not to have received the confidence and support of the shareholders, even though he or she will be duly elected as a matter of corporate law. In such a case, the nominee will be required forthwith to submit his or her resignation to the Board, effective on acceptance by the Board.

The Board will consider the offer of resignation and, except in special circumstances that would warrant the continued service of the director on the Board, the Board will be expected to accept the resignation. The Board will make its decision and announce it in a press release within 90 days after the shareholder meeting at which the candidacy of the director was considered. If the Board does not accept the resignation of the director, the press release will fully state the reasons for that decision.

The director who tendered the resignation will not participate in the decision-making process, but may be counted for the purpose of determining whether the Board has quorum.

Subject to any corporate law restrictions, the Board may (i) leave a vacancy in the Board unfilled until the next annual general meeting, (ii) fill the vacancy by appointing a new director who, in the opinion of the Board, merits the confidence of the shareholders, or (iii) call a special meeting of shareholders to consider new Board nominee(s) to fill the vacant position(s).

This policy applies only to uncontested elections, meaning elections where the number of nominees for director is equal to the number of directors to be elected.

Approved by the Board: August 18, 2014.
